

# Archives of Pediatrics

*A Monthly Journal Devoted to the*  
**Diseases of Infants and Children**

EDITED BY

JOHN FITCH LANDON, A.B., M.D.

Attending Pediatricist, Roosevelt Hospital and Women's Hospital;  
Visiting Physician, Willard Parker Hospital; Fellow New York  
Academy of Medicine, New York City.

VOLUME LXXII

JANUARY TO DECEMBER

1955

E. B. TREAT & CO., INC., Publishers

45 East Seventeenth Street

NEW YORK

## LIST OF CONTRIBUTORS

ABDIN, S. H.  
ALLEN, FREDERICK M.  
AMSTER, HERMAN C.  
ARNOLD, JESSE H.

BASS, CHARLES C.  
BIMMERLE, JOHN F.  
BROWN, EDWARD E.  
COHEN, ROBERT

ESKIN, FATMA MUNIR  
FALKENSTEIN, LEO  
FLEXNER, SIMON  
FRIEDMAN, ABRAHAM

GLEESON, GERALDINE A.  
GRAMS, ARMIN

JENKINS, KENNETH H.  
JOBLING, JAMES W.

KRITER, W. E.  
KERR, LEONARD  
KHALIL, A.  
KINZEL, RAYMOND C.  
KLIGER, MAX  
KNOR, JR., J. H. MASON  
KRAUSE, VICTOR  
KRAVITZ, HERBERT M.

LEHNDORFF, H.  
LEVINSON, ABRAHAM  
LORIMER, FRANK M.

O'CONNER, ROBERT  
ODONE, DONALD T.

PALLOTTA, JR., JOHN A.  
PARR, GEORGE E.  
PERROTTA, LOUIS A.

RAPP, G. W.  
REGNIER, EDMÉ  
ROSENTHAL, EDWIN  
RUDE, EVELYN M.

SAPWAY, A.  
SALE, GEORGE DE SANTOS  
SCHMIEDING, ALFRED  
SLADE, FRANK J.  
SMITH, CLARENCE A.  
STABINSKY, CHARLES  
SURCA, LOUIS A.

TARSITANO, ROSEMARY  
THOMPSON, PAUL M.  
TOWNSEND-COLES, W. F.

WIKLER, LOUIS A.  
WILCOX, HERBERT D.  
ZARRISKIE, EDWIN G.

## INDEX TO VOLUME LXXII

Abdin, S. H.; Khalil, A. and Safwat, A. Terramycin in the treatment of whooping cough.....	88
Acute dextroamphetamine intoxication in children. Keiter and Arnold.....	126
Acute polyarthritides and infections of the upper respiratory tract. Prophylaxis.....	320
Adenitis, tuberculous mesenteric, in children.....	169
Adenoidectomy, massive lung collapse following, and tonsillectomy.....	118
Afibrinogenemia, congenital and familial; based on three cases.....	69
Allen, Frederick M. Treatment of Kimmelstiel-Wilson disease and related conditions.....	250
Allergy and immunity in infants vaccinated with massive doses of BCG "per os" by Dr. Assis' method.....	140
Amster, Herman C. A study of the lactones in the oxidative-reductive processes of the cell and their relationship to the neoplasms.....	395
Amster, Herman C. Notes on cyanogenetic glucosides and other cyanous material as they appear in nature and their possible relationship to anterior poliomyelitis.....	245
Anemia in premature infants.....	354
Anorexia, irritability and convulsions: evidences of subdural hematoma in infancy.....	31
Antibiotic-cortisone, combined, therapy in infectious asthma. The rationale of its early application.....	31
Antiemetic, use of chlorpromazine as an, in children. Wikler.....	197
Aorta, coarctation of the, in the infant. Its surgical correction.....	294
Arnold, Jesse, H. and Keiter, W. E. Acute dextroamphetamine intoxication in children.....	126
Asphyxia, mechanism of, in bilateral choanal atresia: the technic of its surgical correction in the newborn.....	241
Asthma, infectious, combined anti-biotic-cortisone therapy in. The rationale of its early application.....	31
Atresia, bilateral choanal, the mechanism of asphyxia in: the technic of its surgical correction in the newborn.....	241
Bacteremia following tonsillectomy. Effect of preoperative treatment with antibiotics in postoperative bacteremia and in bacterial content of tonsils.....	318
Bass, Charles C. Personal oral hygiene for children.....	295

BCG, massive doses of, allergy and immunity in infants vaccinated with, "per os" by Dr. Assis' method.....	140
BCG vaccination, standardization and efficacy of, against tuberculosis..	163
Biological changes associated with dyslexia. Park, et al.....	71
Bladder neck obstruction, management of, in children.....	105
Blood formation in infancy. Cord blood.....	241
Blood sugar levels in babies born of diabetic mothers.....	170
Book Reviews .....	106; 204; 353
Brains, underdeveloped and damaged, drug action on. Mautner.....	265
Brown, Edward E. Recurring abdominal pain in children secondary to sinusitis. ....	1
Brucellosis and its treatment. Observations—preliminary report. Mick. 119	
Cataract, developmental. Regnier.....	141
Cell, oxidative-reductive processes of the, a study of the lactones in, and their relationship to the neoplasms. Amster.....	395
Children, emotionally maladjusted, chlorpromazine in the treatment of..	167
Children, neurologic disorders in. A study of 282 hospital cases. Friedman and Levinson.....	51
Chlorpromazine in the treatment of emotionally maladjusted children...	167
Chlorpromazine, use of, as an antiemetic in children. Wikler.....	197
Chorea minor, insulin in treatment of.....	87
Chorea, Sydenham's, cortisone therapy in. Odone.....	187
Christian Heinrich Heineken. The miracle baby from Lübeck, 1720-1724. Lehdorff and Falkenstein.....	360
Circulation, role of veins in the. Mautner.....	387
Coarctation of the aorta in the infant. Its surgical correction.....	294
Coccidioides, immitis, a new fungicide for. Cohen and O'Connor.....	154
Coccidioidomycosis, unusual cases. Cohen.....	275
Cohen, Robert and O'Connor, Robert. A new fungicide for coccidioides immitis. ....	154
Cohen, Robert. Unusual coccidioidomycosis cases.....	275
Colds, common, effective treatment of.....	155
Colic, hernia as a cause of, in infancy.....	200
Colitis, amebiasis and ulcerative, sigmoidoscopy in the diagnosis of, in infants and children.....	203
Congenital and familial afibrinogenemia: based on three cases.....	69
Congenital hydrocephalus due to experimental hypovitaminosis A.....	153
Congenital pyloric stenosis as a factor predisposing to the ulcer syndrome.	70
Constipation, functional, treatment of, with prune-malt. Maffia.....	341
Convulsions, anorexia and irritability: evidences of subdural hematoma in infancy. ....	31
Convulsions, febrile, in children, their frequency and prognosis.....	165
Convulsions, neonatal. ....	354
Cord, blood; blood formation in infancy.....	241

Cortisone in the management of hemolytic disease in the newborn.....	165
Cortisone therapy in Sydenham's chorea. Odono.....	187
Cystourethrography, micturating, in the investigation of enuresis.....	31
Deafness, the rhesus factor in.....	70
Dental changes associates with kernikterus.....	385
Diabetes in infants and young children. Wilcox.....	227
Diabetes mellitus in twins. Report of four cases.....	300
Diagnosis of late hereditary syphilis in the school child. Saxe.....	301
Diagnosis of paralyzes of early life. Zabriskie.....	412
Diphtheria, active immunization against, in nurslings with anatoxins adsorbed on aluminum hydroxide and aluminum phosphate; comparative responses to the two vaccines.....	352
Diphtheria, early diagnosis of, use of the Wood's Lamp in.....	34
Diphtheria, laryngeal, changes in the management of, treated by intubation. Rosenthal.....	91
Disease, rheumatic, mucoproteins in, of infancy.....	394
Drug action on underdeveloped and damaged brains. Mautner.....	265
Dyslexia, biological changes associated with. Park, et al.....	71
Emphysema, generalized pulmonary, as an isolated manifestation of early cystic fibrosis of the pancreas.....	386
Enemas, potential hazard of, in patients with Hirschsprung's disease....	202
Enuresis, infantile, new treatment of, with antispasmodics and vitamin E.....	359
Enuresis, investigation of, micturating cystourethrography in.....	31
Epidemic, meningitis, an analysis of four hundred cases of, treated with the antimeningitis serum. Flexner and Jobling.....	156
Epidemiological and psychological study of lead poisoning in children...	164
Esen, Fatma Muniire. Mother's toxemia and mental retardation.....	321
Etiology of urine diaper rash. Rapp.....	113
Falkenstein, Leo and Leindorff, H. Christian Henrich Heineken. The miracle baby of Lübeck, 1720-1724.....	360
Fibroplasia, retrolental. Pallotta, Jr.....	218
Fibroplasia, retrolental and oxygen.....	196
Fibrosis of the pancreas in patient's over ten years of age.....	166
Flexner, Simon and Jobling, James W. An analysis of four hundred cases of epidemic meningitis treated with the antimeningitis serum..	156
Fractures, supracondylar, of the humerus. Kliger and Perrotta.....	355
Friedman, Abraham, and Levinson, Abraham. Neurologic disorders in children. A study of 282 hospital cases.....	51
Gamma globulin, effect of, on measles.....	243
Gamma globulin, measles encephalitis, treatment with.....	202

Gargoylism. (Hurler's syndrome). Report of three cases. Townsend-Coles. ....	283
Gastrointestinal tract, bleeding lesions of the, in infants and children....	32
Generalized pulmonary emphysema as an isolated manifestation of early cystic fibrosis of the pancreas. ....	386
Gleason, Geraldine A.; Smith, Clarence A. and Jenkins, Kenneth A. Penicillin treatment for early congenital syphilis. ....	12
Goiter in newborn infant due to mother's ingestion of propylthiouracil..	424
Glucosides, cyanogenetic, notes on, and other cyanous material as they appear in nature and their possible relationship to anterior poliomyelitis. Amster. ....	245
Heart disease, congenital, in infants diagnosed by aid of heart catheterization and angiography. ....	340
Hematoma, subdural, evidences of, anorexia, irritability and convulsions in infancy. ....	31
Hemoglobin C disease in identical twins. ....	242
Hemolytic disease, cortisone in the management of, in the newborn. ....	165
Hemorrhagic disease of the newborn. Kinzel. ....	147
Hernia as a cause of colic in infancy. ....	200
Hernia, hiatus, and mental defect, sucroseria with. ....	167
Hibernation, first results of, in babies at the Saint Vincent de Paul Hospital. ....	274
Hirschsprung's disease, the potential hazard of enemas in patients with. ....	202
Humerus, supracondylar fracture of. Kliger and Perrotta. ....	355
Hurler's syndrome. (gargoylism). Report of three cases. Townsend-Coles. ....	283
Hydrocephalus, congenital, due to experimental hypovitaminosis A. ....	153
Hydrocephalus, diagnosis and treatment. Stabinsky. ....	286
Hydrocephalus of meningococcus origin. Knox, Jr. and Sladen. ....	129
Hygiene, personal oral, for children. Bass. ....	295
Hypervitaminosis A, acute. ....	30
Hypovitaminosis A, experimental, congenital hydrocephalus due to. ....	153
Idiocy, juvenile amaurotic, in Norway. ....	125
Immunity and allergy in infants vaccinated with massive doses of BCG "per os" by Dr. Assis' method. ....	140
Infants, premature, anemia in. ....	354
Infants, premature, controlled clinical trial of effects of aleveaire mist on. ....	163
Iosulin in treatment of chorea minor. ....	87
Intoxication, acute dextroamphetamine, in children. Keiter and Arnold. ....	126
Intramuscular benzathene penicillin in the prophylaxis of streptococcal infection in rheumatic children. ....	103
Intubation, laryngeal diphtheria treated by, changes in the management of. Rosenthal. ....	91

Irritability, anorexia and convulsions; evidences of subdural hematoma in infancy. ....	31
Jaundice, prolonged neonatal, as guide to early diagnosis of congenital myxedema. ....	206
Jenkins, Kenneth A.; Gleason, Geraldine A. and Smith, Clarence A. Penicillin treatment for early congenital syphilis.....	12
Jobling, James W. and Flexner, Simon. An analysis of four hundred cases of epidemic meningitis treated with the anitmeningitis serum.	156
Juvenile amaurotic idiocy in Norway.....	125
Keiter, W. E. and Arnold, Jesse H. Acute dextroamphetamine intoxication in children .....	126
Kernig's sign in infancy. A study of two thousand cases. Morse.....	378
Kernikerus, dental changes associated with.....	385
Kerr, Legrand. The "diathetic" child.....	347
Khalil, A.; Abidin, S. H. and Safwat, A. Terramycin in the treatment of whooping cough.....	88
Kimmelteil-Wilson disease, treatment of, and related conditions. Allen.	250
Kinzel, Raymond, C. Hemorrhagic disease of the newborn.....	147
Kliger, Max and Perrotta, Louis A. Supracondylar fractures of the humerus .....	355
Knox, Jr., J. H. Mason and Sladen, Frank J. Hydrocephalus and meningococcus origin .....	129
Kravitz, Herbert M. Tuberculous meningitis. A review.....	207
Lactones, a study of the, in the oxidative-reductive processes of the cell and their relationship to the neoplasms. Amster.....	395
Lead poisoning, epidemiological and psychological study of, in children.	164
Lead poisoning, successful calcium disodium ethylene tetra-acetate treatment of, in an infant.....	313
Lehndorff, H. and Falkenstein, Leo. Christian Henrich Heineken. The miracle baby of Lübeck, 1720-1724.....	360
Lehndorff, H. Leukemia one hundred years ago.....	26
Lesions, bleeding, of the gastrointestinal tract in infants and children..	32
Leukemia one hundred years ago. Lehndorff.....	26
Levinson, Abraham and Friedman, Abraham. Neurologic disorders in children. A study of 282 hospital cases.....	51
Liver in ferrous sulphate poisoning. Report of three fatal cases in children and an experimental study.....	104
Lobstein's disease. Atypical osteogenesis imperfecta. Meyer.....	182
Maffia, Anthony J. Treatment of functional constipation with prunemalt .....	341
Malformations, early pregnancy and congenital, exposure to virus diseases in.....	312

Gargoylism. (Hurler's syndrome.) Report of three cases. Townsend-Coles. ....	283
Gastrointestinal tract, bleeding lesions of the, in infants and children....	32
Generalized pulmonary emphysema as an isolated manifestation of early cystic fibrosis of the pancreas.....	386
Gleason, Geraldine A.; Smith, Clarence A. and Jenkins, Kenneth A. Penicillin treatment for early congenital syphilis.....	12
Goiter in newborn infant due to mother's ingestion of propylthiouracil..	424
Glucosides, cyanogenetic, notes on, and other cyanous material as they appear in nature and their possible relationship to anterior poliomyelitis. Amster. ....	245
Heart disease, congenital, in infants diagnosed by aid of heart catheterization and angiography.....	340
Hematoma, subdural, evidences of, anorexia, irritability and convulsions in infancy. ....	31
Hemoglobin C disease in identical twins.....	242
Hemolytic disease, cortisone in the management of, in the newborn.....	165
Hemorrhagic disease of the newborn. Kinzel.....	147
Hernia as a cause of colic in infancy.....	200
Hernia, hiatus, and mental defect, sucrosuria with.....	167
Hibernation, first results of, in babies at the Saint Vincent de Paul Hospital. ....	274
Hirschsprung's disease, the potential hazard of enemas in patients with.	202
Humerus, supracondylar fracture of. Kliger and Perrotta.....	355
Hurler's syndrome. (gargoylism). Report of three cases. Townsend-Coles. ....	283
Hydrocephalus, congenital, due to experimental hypovitaminosis A....	153
Hydrocephalus, diagnosis and treatment. Stabinsky.....	286
Hydrocephalus of meningococcus origin. Knox, Jr. and Sladen.....	129
Hygiene, personal oral, for children. Bass.....	295
Hypervitaminosis A, acute.....	30
Hypovitaminosis A, experimental, congenital hydrocephalus due to....	153
Idiocy, juvenile amaurotic, in Norway.....	125
Immunity and allergy in infants vaccinated with massive doses of BCG "per os" by Dr. Assis' method.....	140
Infants, premature, anemia in.....	354
Infants, premature, controlled clinical trial of effects of aleveaire mist on.	163
Insulin in treatment of chorea minor.....	87
Intoxication, acute dextroamphetamine, in children. Keiter and Arnold.....	126
Intramuscular benzathene penicillin in the prophylaxis of streptococcal infection in rheumatic children.....	103
Intubation, laryngeal diphtheria treated by, changes in the management of. Rosenthal. ....	91

Irritability, anorexia and convulsions; evidences of subdural hematoma in infancy. ....	31
Jaundice, prolonged neonatal, as guide to early diagnosis of congenital myxedema. ....	206
Jenkins, Kenneth A.; Gleason, Geraldine A. and Smith, Clarence A. Penicillin treatment for early congenital syphilis. ....	12
Jobling, James W. and Flexner, Simon. An analysis of four hundred cases of epidemic meningitis treated with the antimeningitis serum. ....	156
Juvenile amaurotic idiocy in Norway. ....	125

Knox, Jr., J. H. Mason and Sladen, Frank J. Hydrocephalus and meningococcus origin. ....	129
Kravitz, Herbert M. Tuberculous meningitis. A review. ....	207
Lactones, a study of the, in the oxidative-reductive processes of the cell and their relationship to the neoplasms. Amster. ....	395
Lead poisoning, epidemiological and psychological study of, in children. ....	164
Lead poisoning, successful calcium disodium ethylene tetra-acetate treatment of, in an infant. ....	313
Lehndorff, H. and Falkenstein, Leo. Christian Heinrich Heineken. The miracle baby of Lübeck, 1720-1724. ....	360
Lehndorff, H. Leukemia one hundred years ago. ....	26
Lesions, bleeding, of the gastrointestinal tract in infants and children. ....	32
Leukemia one hundred years ago. Lehndorff. ....	26
Levinson, Abraham and Friedman, Abraham. Neurologic disorders in children. A study of 282 hospital cases. ....	51
Liver in ferrous sulphate poisoning. Report of three fatal cases in children and an experimental study. ....	104
Lobstein's disease. Atypical osteogenesis imperfecta. Meyer. ....	182
Maffia, Anthony J. Treatment of functional constipation with prune-malt. ....	341
Malformations, early pregnancy and congenital, exposure to virus diseases in. ....	312

Maternal and fetal factors, association of, with development of mental deficiency. I. Abnormalities in the prenatal and perinatal periods...	385
Mautner, Hans. Drug action on underdeveloped and damaged brains...	265
Mautner, Hans. The role of veins in the circulation...	387
McCormick, W. J. The rheumatic diseases. Is there a common etiologic factor?	107
Measles, effect of gamma globulin on...	243
Measles encephalitis, treatment with gamma globulin...	202
Measles meningoencephalomyelitis...	33
Mediastinum, anterior, teratoma of, in infant two months old...	146
Membrane, hyaline, prevention of, after cesarean section...	249
Meningitis, Pfeiffer, results of antibiotic treatment of...	25
Meningitis, tuberculous. A review. Kravitz...	207
Meningitis, tuberculous, subclinical forms of...	11
Meningitis, tuberculous. The diagnostic and prognostic significance of spinal fluid sugar and chloride...	319
Meningoencephalomyelitis, measles...	33
Meyer, Hans. Atypical osteogenesis imperfecta. Lobstein's disease...	182
Mick, Edwin C. Brucellosis and its treatment. Observations—preliminary report	119
Micturating cystourethrography in the investigation of enuresis...	31
Mist, alevaire, controlled clinical trial of effects of, on premature infants...	163
Morse, John Lovett. An unusual type of acute nephritis in childhood...	407
Morse, John Lovett. Kernig's sign in infancy. A study of two thousand cases	378
Mucoproteins in rheumatic disease of infancy...	394
Myxedema, congenital, prolonged neonatal jaundice as guide to early diagnosis of	206
Neonatal convulsions...	354
Neonatal death rate, methods by which the, may be reduced. Rude...	223
Neonatal torticollis...	200
Neoplasms, their relationship to, and a study of the lactones in the oxidative-reductive processes of the cell. Amster...	395
Nephritis, acute, a controlled investigation of the effect of diet on...	201
Nephritis, acute, unusual type of, in childhood. Morse...	407
Neurologic disorders in children. A study of 282 hospital cases. Friedman and Levinson...	51
Nevi, vascular and pigmented, treatment of, in infancy and childhood...	162
New treatment of infantile enuresis with antispasmodics and vitamin E...	359
Nutrition, maternal, incidence of prematurity in relation to...	241
O'Connor, Robert and Cohen, Robert. A new fungicide for coccidioides immitis	154
Odono, Donald T. Cortisone therapy in Sydenham's chorea...	187

Osteogenesis imperfecta, atypical. Lobstein's disease. Meyer.....	182
Oxygen and retrolental fibroplasia.....	196
Pain, recurring abdominal, in children secondary to sinusitis. Brown..	1
Pallotta, Jr., John A. Retrolental fibroplasia.....	218
Palsy, cerebral, realistic management of the child with, pediatric re- habilitation with special emphasis on factors involved in. Susca....	171
Pancreas, early cystic fibrosis of, generalized pulmonary emphysema as an isolated manifestation of.....	386
Pancreas, fibrosis of, in patients over ten years of age.....	166
Paralyses, diagnosis of, in early life. Zahriskie.....	412
Park, George E., et al. Biological changes associated with dyslexia....	71
Pediatric deaths, analysis of the cause of. Rude.....	85
Pediatric rehabilitation. With special emphasis on factors involved in the realistic management of the child with cerebral palsy. Susca.....	171
Pediatric research in the age of the common man and the exceptional child .....	200
Penicillin, intramuscular benzathine, comparison of, and oral sulfonamide in the control of rheumatic recurrences.....	421
Penicillin, intramuscular benzathine, in the prophylaxis of streptococcal infection in rheumatic children.....	103
Pencillin treatment for early congenital syphilis. Smith, Gleason and Jenkins .....	12
Peptic ulcer problem in infancy and childhood.....	50
Perrotta, Louis A. and Kliger, Max. Supracondylar fractures of the humerus .....	355
Phenylketonuria, treatment of, with a diet low in phenylalanine.....	168
Pneumonia in newborn infants.....	422
Poisoning due to petroleum products. Thompson.....	35
Poisoning, ferrous sulphate, liver in. Report of three fatal cases in chil- dren and an experimental study.....	104
Poliomyelitis, anterior, notes on cyanogenetic glucosides and other cyanous material as they appear in nature and their possible relation- ship to. Amster .....	245
Poliomyelitis, blood level of basal pyruvic acid in.....	105
Poliomyelitis in 1953 .....	317
Poliomyelitis, paralytic and non-paralytic forms of, risk of, to household contacts in nonepidemic years.....	313
Poliomyelitis, program of vaccination against, public health implica- tions in .....	244
Poliomyelitis, vaccination-induced, in Idaho. Preliminary report of ex- perience with Salk poliomyelitis vaccine.....	422
Postures, scoliotic, new therapy of, in children.....	377
Prematurity, incidence of, in relation to maternal nutrition.....	241
Prevention of hyaline membrane after cesarean section.....	249

Prophylaxis. Acute polyarthritis and infections of the upper respiratory tract .....	320
Prophylaxis against group A streptococci in rheumatic fever. The use of single monthly injections of benzathine penicillin G.....	312
Prophylaxis, intramuscular benzathine penicillin in, of streptococcal infection in rheumatic children.....	103
Propylthiouracil, mother's ingestion of, goiter in newborn infant due to..	424
Rapp, G. W. The etiology of urine diaper rash.....	113
Rash, urine diaper, the etiology of. Rapp.....	113
Rectal suppositories for infants and children.....	170
Regnier, Edme. Developmental cataract.....	141
Rehabilitation, pediatric, with special emphasis on factors involved in the realistic management of the child with cerebral palsy. Susca.....	171
Respiration in the newborn, a new theory concerning the mechanism of the initiation of .....	169
Respiration, manual artificial, a new method of, for infants and small children .....	423
Retardation mental, and mother's toxemia. Esen.....	321
Rhesus factor in deafness.....	70
Rheumatic diseases. Is there a common etiologic factor? McCormick..	107
Rheumatic fever and rheumatic heart disease as seen in the National Cardiological Institute of Mexico.....	316
Rheumatic fever, prophylaxis against group A streptococci in. The use of single monthly injections of benzathine penicillin G.....	312
Rheumatic fever, treatment of, in children.....	315
Rosenthal, Edwin. Changes in the management of laryngeal diphtheria treated by intubation.....	91
Rude, Evelyn, M. An analysis of the cause of pediatric deaths.....	85
Rude, Evelyn, M. Methods by which the neonatal death rate may be reduced .....	223
Rupture of the spleen. A complication of erythroblastosis fetalis.....	163
Safwat, A.; Abdin, H. and Khalil, A. Terramycin in the treatment of whooping cough .....	88
Saxe, George de Santos. Diagnosis of late hereditary syphilis in the school child .....	301
Sclerosis, multiple, in children.....	50
Scurvy, infantile, size cases of.....	34
Serum, antimeningitis, epidemic meningitis treated with. An analysis of four hundred cases. Flexner and Jobling.....	156
Shock, asphyctic, treatment of, technical note on intrafunicular transfusion in newborn infant.....	420
Sigmoidoscopy in the diagnosis of amebiasis and ulcerative colitis in infants and children .....	203

Sinusitis, recurring abdominal pain in children secondary to. Brown....	1
Sladen, Frank J. and Knox, Jr., J. H. Mason. Hydrocephalus of meningococcus origin .....	129
Smith, Clarence A.; Gleason, Geraldine A. and Jenkins, Kenneth A. Penicillin treatment for early congenital syphilis.....	12
Spleen, rupture of the. A complication of erythroblastosis fetalis.....	163
Stabinsky, Charles. Hydrocephalus. Diagnosis and treatment.....	286
Staphylococci, pathogenic, in the environment of the newborn infant..	314
Stenosis, congenital pyloric, as a factor predisposing to the ulcer syndrome .....	70
Streptococci, group A, prophylaxis against, in rheumatic fever. The use of single monthly injections of benzathine penicillin G.....	312
Sucroseria with mental defect and hiatus hernia.....	167
Sulfonamide, oral, comparison of intramuscular benzathine, in the control of rheumatic recurrences .....	421
Suppositories, rectal, for infants and children.....	170
Supracondylar fractures of the humerus. Kliger and Perrotta.....	355
Surgical management of undescended testes.....	32
Susca, Louis A. Pediatric rehabilitation. With special emphasis on factors involved in the realistic management of the child with cerebral palsy .....	171
Syndrome, ulcer, a factor predisposing to, congenital pyloric stenosis as	70
Synostosis, premature cranial, the early recognition of.....	424
Syphilis, diagnosis of late hereditary, in the school child.....	301
Syphilis, early congenital, penicillin treatment for. Smith, Gleason and Jenkins .....	12
Teratoma of anterior mediastinum in infants two months old.....	146
Terramycin in the treatment of whooping cough. Khalil; Abdin and Safwat .....	88
Testes, undescended, surgical management of.....	32
The "diathetic" child. Kerr.....	347
Therapy, combined antibiotic-cortisone, in infectious asthma. The rationale of its early application.....	31
Therapy, cortisone, in Sydenham's chorea. Odone.....	187
Therapy, fluid and electrolyte, practical scheme for, in children.....	242
Therapy, new, of scoliotic postures in children.....	377
Thompson, Paul M. Poisoning due to petroleum products.....	35
Tongue, furred, the fallacy of.....	70
Tonsillectomy, bacteremia following. Effect of preoperative treatment with antibiotics in postoperative bacteremia and in bacterial content of tonsils .....	318
Tonsillectomy, massive lung collapse following, and adenoidectomy....	118
Torticollis, neonatal .....	200

Townsend-Coles, W. F. Gargoylism. (Hurler's syndrome.) Report of three cases .....	283
Toxemia, mother's and mental retardation. Esen.....	321
Transfusion, intrafunicular, technical note on, in treatment of asphyctic shock of newborn infant.....	420
Treatment, effective, for common colds.....	155
Treatment of acute rheumatic fever in children.....	315
Treatment of functional constipation with prune-malt. Maffia.....	341
Treatment of Kimmelstiel-Wilson disease and related conditions. Allen	250
Treatment, penicillin, for early congenital syphilis. Smith, Gleason and Jenkins .....	12
Treatment of phenylketonuria with a diet low in phenylalanine.....	168
Treatment of primary tuberculosis in infancy.....	243
Treatment, results of antibiotic, of Pfeiffer meningitis.....	25
Treatment, terramycin in, of whooping cough. Khalil; Abdin and Safwat	88
Treatment of vascular and pigmented nevi in infancy and childhood....	162
Tuberculin testing, importance of, of school children; a twenty-eight year study .....	421
